AFTER SCHOOL ISSUES

Mr Corbett is our caretaker and he works really hard to ensure our grounds are a safe environment. Erik has mentioned that he is finding a huge amount of rubbish around the school from children and adults using our grounds out of school time. Mrs Terry has collected a weeks worth of rubbish and the majority has been coffee cups, McDonalds wrappers and takeaway containers. We are working hard to educate the children around taking their own rubbish home after their morning tea and lunches but we need your help to ensure weekend rubbish is also taken home. We do not have rubbish bins around our school as we want people to try their hardest to reduce the amount of packaging they buy. Please be a tidy kiwi and ensure you take responsibility for your own rubbish!

We have also noticed a large number of children hanging around in the school grounds after 3pm, unsupervised. Please note that once the bell has gone your children should leave the school grounds and go straight home. If they have to wait for you they should do that in the Fale's. We have children who are playing around the school, wandering through classrooms, playing in the hall with our production props, all unsupervised by an adult. This is a care and protection issue especially for the under 5's! Please note that after school staff are engaged in a range of meetings and are unable to monitor your children. After 3pm they are parents' responsibility.

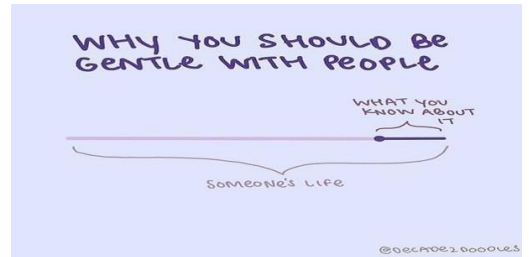

MAKING GREAT CHOICES

At Bayview we actively encourage children to make great choices. We talk with the children often about the fact that they are responsible for their choices. If they are successful it will be as a result of their hard work and attitude. They are in control of their attitude and their choices.

Lately we have noticed that we have students who like to 'get involved' with issues or challenges that do not involve them. Essentially they are being nosey and stirring up trouble. Sadly there are always people who see a drama and like to get involved, but this often ends up in more drama and worse consequences. These people don't get to know the entire story and can take things out of context and create something bigger than it actually is that is filled with inaccuracies.

We have given our senior students a very strong message that "If it isn't your business, then stay out of it!". We give these messages to all our students and hope you will reinforce this at home.

Our aim is to create socially responsible humans who know when to be an upstander but also when to stay out of other people's business.

TERM 4

Term 4 is our time for celebration and we have a number of events scheduled which you may be interested in attending. Here are the main ones:

LOST PROPERTY

We have a huge amount of lost property that is currently sitting outside Habitat 14 waiting for reclaiming by the owner! If your child has lost their polar fleece or shoes or school jacket it may be sitting in the lost property. You are welcome to go through this at any time between 8.30am and 3.10pm.

HATS TERM 4

Just a reminder that we are a sun smart school and that we require our students to wear their bucket hat during terms one and four. Over this upcoming holiday period you may wish to find your child's school hat and have it ready for day one of term 4. We have a special hat that can only be purchased from the school office. We do not allow caps as these do not protect a child's neck and ears. Hats can be purchased for \$15.

PARKING OUTSIDE THE SCHOOL

Just a reminder that if you park illegally on yellow lines or over driveways outside the school, a photo will be taken and sent to the police. An infringement notice will then be sent to the registered owner of the vehicle. Our children's safety will always come first.
