## PRODUCTION 2019

### “Found”

I am sure you are as proud of your children as we are for their spectacular performance of this years' school production!

At Bayview School we are inclusive and the whole context of the production is around every child being involved regardless of ability, allowing the children to have fun. We must remember that production is about LEARNING first and foremost. This is strengths-based inclusion - in - action! I love that character strengths have become part of our everyday language. I hope you get the opportunity to talk with your children about your own personal strengths and how these have helped you be a successful adult. Thank you for dancing beside us on this moving mat we lovingly call school production!

One more performance! We've got this!

## Dates for diaries

Production evening	26/9
End of term 3 2pm	27/9

Class Photos	23/10
Ballot for out of zone enrolments	23/10
Breakers basketball taster	23/10
LABOUR DAY HOLIDAY	28/10
Breakers basketball taster	30/10

Dear Team Bayview,

### THANK YOU

It takes a village to raise a child and it takes a village to stage a successful school production! A huge thank you to every single parent and caregiver who helped their child perform in this years school production, Found. We know your children are tired beyond belief but so incredibly proud of themselves. Thank you for getting them to school on time each evening, ensuring they have been fed and watered and have managed a rest after school. Thank you for applying foundation and getting hair ready and dealing with any overtired tantrums! We appreciate you and all you have done for your children!

We are always so lucky to have a range of adults who step up and do that little bit extra. All of the staff and students of Bayview School are grateful to the following people for all they have done in and around production: Steve Hurley who provided all the lights and sound effects that made our production that little bit extra special and his whanau that came in to support.

Lynley Forde who came up with the concept, wrote the script with a group of students, and then produced and directed the production! Lynley you are inspirational and we are so very grateful for working alongside us and making Bayview better!

Kerry Forde (Lynley's husband) for helping with some of the engineering concepts, being the support behind Lynley as she came up with crazy ideas!

Shelley Matuku who has worked alongside Lynley since day one providing support, leadership, and lots of laughter.

Victoria Anderson who worked alongside our core cast giving them support and encouragement and time to learn lines and develop their on stage presence.

Amanda Heilison who has helped with props and stage design and worked behind the scenes to ensure the production was a success.

Michelle Edwards who made the props used on stage and helped during performance nights.

Annemarie Heckler who has helped with props and sound and lighting and as a stage hand during the performances.

Elleen Davids who has help with the choreography of the dances and has been the main stagehand for each performance.

Anne Crooks, Michelle Webb-Atkinson, John Nicholson, Kat Low and Janelle Staples who organised student dinners and sold refreshments for the audience. An army marches on its stomach!

All the staff of Bayview who have worked tirelessly on getting the kids ready for this production since March! We have the best team of teachers on the planet. I could not be more proud and so very grateful to get to work alongside these amazing people every day!

Last but not least our amazing children! Every child gave their best and they were stunning. I will be honest that I had a tear or two in my eye watching them. I hope that you are as proud as me!

I hope over this holiday break that you manage some time with your children to rest and relax and enjoy the simple things. They really are quite amazing little humans! [#appreciationofbeauty](#) [#bravery](#) [#creativity](#) [#curiosity](#) [#fairness](#) [#forgiveness](#) [#gratitude](#) [#honesty](#) [#hope](#) [#humility](#) [#humour](#) [#judgement](#) [#kindness](#) [#leadership](#) [#love](#) [#loveoflearning](#) [#perseverance](#) [#perspective](#) [#prudence](#) [#self-regulation](#) [#socialintelligence](#) [#spirituality](#) [#teamwork](#) [#upstanders](#) [#zest](#)

### HATS TERM 4

Just a reminder that we are a sun smart school and that we require our students to wear their bucket hat during terms one and four. Over this upcoming holiday period you may wish to find your child's school hat and have it ready for day one of term 4. We have a special hat that can only be purchased from the school office. We do not allow caps as these do not protect a child's neck and ears. Hats can be purchased for \$15.

### TERM 4

In the last newsletter I shared most of the end of year dates with you. This of course is not the only thing that happens in term 4. We also have a range of sports opportunities the children will be participating in, such as: Breakers basketball, cricket, football, gymnastics zone days, and athletics. We have the Glenfield Intermediate School Robotics team working with our Year 5/6 students. Our students will be completing art work for our annual calendar fundraiser which parents will be able to purchase (these make great Christmas presents). Our choir is performing in the Kids for Kids Choir festival at the Bruce Mason Centre on Thursday 21<sup>st</sup> November. Our kapa haka group are performing at the Onepoto Cultural Festival on Friday 22<sup>nd</sup> November. In amongst all of this, learning will continue as well as a range of testing to determine every students progress and achievement over the year. Our teachers are then writing the end of year report. We are holding an open day on Thursday 28<sup>th</sup> November where parents can come in and have their child share their learning successes with them.

We will tell you more about all of these things in term 4.

Di and the Team Bayview Staff

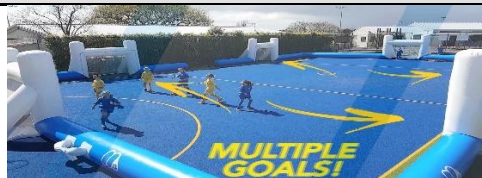

## School Notices

Welcome to our new pupils:

We have 15 new students due to start next Term, which will bring our roll to about 440 students.

We know you will enjoy your time at Bayview School!

Kick off the holiday with our fun football holiday programme. It's suitable for children aged 5 to 13. The week is full of exciting games and tournaments. Enjoy our unique Inflatable Football pitches. Our team of highly qualified staff will ensure your kids have a ball!

# Chess Coaching at Bayview School

Playing chess develops self-confidence, concentration and problem-solving skills. We are really pleased to start a Chess Coaching Programme at our school and look forward to bringing the excitement, competition and educational benefits of chess to our children.

## Why Chess?

- \* Improve concentration and focus
- \* Develop important life skills – fair play and decision making
- \* Tactical & Strategic thinking
- \* Prepare for Chess Tournaments against other schools
- \* Develop a love of chess, of learning and of thinking

## What happens in a Chess Power Coaching Programme?

Each session starts with a formal lesson; all players will learn a new strategy, idea or skill each week. Then they put those skills into practice with activities and games. All games are monitored and supervised by the coach who provides individual feedback along the way. Throughout the programme, we reward kids that do well and encourage and support kids that are struggling. At completion of the programme we recognise each child with a certificate based on their performance.

**Q** Where can I learn more?

**A** Visit our website, [www.chesspower.co.nz](http://www.chesspower.co.nz) and click Parents Centre

## CLASS DETAILS

This is 9 weeks chess coaching program running on Tuesdays from 15 October 2019 till 10 December 2019 from 10.45 am – 11.30 am. The fee will be \$92.5/student for the term. The sessions will be held in the Multimedia Room.

If the program is successful a new full 10-week program will be made available for Term 1.

## REGISTRATION

If your child would like to be part of this please visit our website. Both registration and payment can be done online.
